

BERTOTTI LANDSCAPING, INC.

INTRODUCING JUANITA SALISBURY, BERTOTTI'S IN-HOUSE LANDSCAPE ARCHITECT

Is it time to update your landscape?

Has the way you use your outdoor space changed?

Have you considered adding features such as a pool, arbor, water feature or outdoor kitchen for entertaining?

Then contact Juanita Salisbury, our in-house landscape architect, to schedule a free consultation. Juanita joined Bertotti Landscaping in early 2007, and concentrates her efforts in the design-build area. She possesses a broad range of experience, from commercial and site planning, to her specialty area of high-end residential design.

Working with Juanita gives you the advantage of a turnkey operation. From the initial creation of conceptual designs, working drawings, and permit documents—through the construction and maintenance phases—Juanita will work closely with you and the appropriate members of the Bertotti team to create the enhancements or additions you envision.
